

**REMARKS/ARGUMENTS**

Claims 86-170 are pending. By this response, Applicant elects claims 86-94, 95-116 and 117-123 drawn to a device for positioning a tool and Figures 3-6 for consideration, i.e., Group I, first species. Claim 157 has been canceled, claim 158 has been amended and claims 124-156 and 158-170 are withdrawn.

As indicated in the Preliminary Amendment submitted December 16, 2005, the claims were amended "as on Amended Sheet(s) Annexed to the IPRP)". There were 85 claims on the amended sheets.

Claim 85 was canceled in the Preliminary Amendment of December 16, 2005. It was inadvertently not included in the listing of canceled claims, however in the Remarks section of the Preliminary Amendment, first sentence, it is clearly indicated that claims 1-85 have been canceled without prejudice. In any event, it is clear that the original application included 85 claims, all of which were canceled upon filing in turn of new claims 86-170. Therefore the numbering of the new claims as they appeared in the December 16, 2005 Preliminary Amendment is correct.

With regard to claims 157 and 158 (the examiner having listed them at 156 and 157), claim 157 has been canceled and claim 158 has been amended to include the details of claim 86.

The Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140 under Order No. PTB-4017-124.

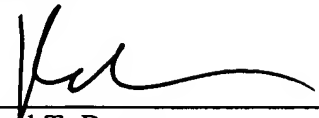

Prompt and favorable consideration on the merits are earnestly solicited.
